Dear Harold,

Thanks for sending me the material from Jack Anderson's column. It ran out here, but I'm glad to have the full text.

Even when he's quoting you, I'm afraid I don't trust Anderson to get things right. Could you or Jim please send me the documents he was referring to, or perhaps the brief he got them from? I would like to be able to cite and circulate the documents themselves when I get around to listing the Anderson column in EOC.

Oswald's alleged statement that he had been contacted by the Soviet secret police is news to me, isn't it?

Thanks also for your letter of 1/31, and ~~xx~~ the clipping on the Hunt verdict. Here's an extra copy of an earlier clip, from a buff in Connecticut. I'm sure I don't have to tell you that the Lorenz story is junk. And the CIA memo which Marchetti wrote about never existed.

With best regards,

Paul
